

NORM WHEAT

Norm

“The Dependable Standard”

For High Management Production:

- Very High Yield Potential (Responds to fertility; Performs well under irrigation)
- An Awnead, Semi-dwarf, Hard Red Spring Wheat
- Medium to Late Maturity & has Twisted Flag Seed Head
- Prior to Heading
- Good Straw Strength; Resists Lodging. Short Straw—32- inches tall
- Good Disease Resistance (Leaf Rust, Stem Rust, Foliar Disease)

Norm is a good choice for dry land or irrigated acres where modest inputs are expected. **Norm** produces top yields under favorable conditions.
